IDEE IN PLASTICA

IN - IDEE IN PLASTICA nasce dall'esperienza trentennale di Reca Plast srl, azienda specializzata nella trasformazione delle materie plastiche e nella produzione di stampi. Questo know-how ci ha ispirato a creare una collezione di articoli in plastica **MADE IN ITALY**, pensati per l'uso quotidiano, sia in ambito domestico che professionale, utilizzando esclusivamente materie prime certificate di alta qualità.

I nostri prodotti si distinguono per la loro **durabilità**, sono **riutilizzabili** e soprattutto **riciclabili**, con un occhio attento alla sostenibilità.

In qualità di produttori, offriamo un servizio completo e integrato: seguiamo l'intero processo, dall'ideazione alla realizzazione dell'articolo in plastica, grazie a un team altamente qualificato e specializzato.

Questo ci consente di rispondere rapidamente alle nuove tendenze del mercato, garantendo soluzioni personalizzate e una piena soddisfazione delle esigenze di ogni cliente.

IN - IDEE IN PLASTICA was born from the thirty years experience of Reca Plast srl, a company specialized in the transformation of plastics and mold production. This know-how has inspired us to create a collection of **MADE IN ITALY** plastic households, designed for daily use, both in domestic and professional sector, using exclusively certified and high-quality raw materials.

Our products are known for their **durability**, they are **reusable**, and most importantly, **recyclable**, with a strong focus on sustainability.

As manufacturers, we offer a complete and integrated service: we oversee the entire process, from design to the creation of the plastic item, thanks to a highly qualified and specialized team.

This enables us to respond quickly to new market trends, ensuring customized solutions and full customer satisfaction.
